Enrollment Instructions

The Campus Select program allows high school students to take college courses at FRCC for both high school and college credit. Tuition is paid by the school district, but students will pay for textbooks and fees.

FIRST TALK TO YOUR HIGH SCHOOL COUNSELOR

High school counselors select students to participate and provide enrollment paperwork. To select classes, FRCC course information can be found at www.frontrange.edu (select "programs and courses").

AFTER SELECTED TO PARTICIPATE IN CAMPUS SELECT, STUDENTS MUST COMPLETE THE FOLLOWING:

- ☐ **Apply to FRCC online**, if you are a first time student, at www.frontrange.edu. Click on the red 'Apply Now' button. A parent or guardian will need to help answer residency questions. **At the end on the 'Application Certification' page, be sure to select 'yes' when asked to authorize COF.** Use the Application Quick Guide for help (available at www.frontrange.edu/lc-collegenow).

When finished, log back into your account for your FRCC student ID number (S-number). You will need this number for concurrent enrollment paperwork and course registration.
- ☐ **Complete the Enrollment Checklist** at www.frontrange.edu (select "Getting In," "How to Get Started," and then "Start the Enrollment Checklist now" (you will also receive an email with this link). The Enrollment Checklist provides important steps to getting started at FRCC, including signing up for a mandatory orientation session. A few important notes:
 - **Students cannot receive financial aid funds while participating in concurrent enrollment.** However, high school seniors may want apply to future financial aid.
 - **Students must select a Career and Academic Community (CAC) to sign up for orientation.** If you're not sure, please select the CAC that is the closest match to your goals. If you cannot find a match, we suggest selecting "Liberal Arts."
 - **Orientation is mandatory for new students, and includes advising and registering for your classes.** If you cannot attend orientation, please contact the College Now office at 204-8370.
- ☐ **Take the FRCC assessment test, if needed.** Most classes do not require a test score, so please check with your counselor first. Please contact the College Now office if assessment is needed.
- ☐ **Submit enrollment forms to your high school counselor.** Check with your counselor to get paperwork required by your school district, and keep high school deadlines in mind.
- ☐ **Register for your FRCC classes at orientation.**
- ☐ **Set up your eWolf and FRCC email accounts.** Go to www.frontrange.edu, click on *eWolf* at the top of the page, and follow the instructions to set up your eWolf and email accounts.
- ☐ **Finalize set up at FRCC.** Pay student fees at the cashier's office in Mount Antero; find your textbooks at www.frontrange.edu/bookstore; and get an optional Wolf card (FRCC student ID) in the Student Center.
