Hello Kids,

My family and I are finding time to fit in a few games. I hope that you are too!

Games 101:

Dice games are some of my favorites, so here is one called Run for It! to try with your family. If you would like to share some highlights from your game, my email is mindy.lessman@thompsonschools.org
HOW TO PLAY RUN FOR IT

You will need 6 dice and at least 2 players. The goal is to be the first player to reach 100 points!

Directions:

Taking turns, each player rolls 6 dice. Looking at the dice, the player attempts to place them into runs. A run is a sequence of numbers, such as 1-2-3-4-5-6. For each number used in a run, the player scores 5 points. Dice may only be used once when creating a run. Runs must begin with the number 1.

For example, a roll of 1-2-4-5-6-6 scores 10 points for the run 1-2.

For example, a roll of 1-2-1-2-3-4 scores 10 points for the run 1-2, and 20 points for the run 1-2-3-4 for a total of 30 points.

If there are no runs, no score is recorded. For example, a roll of 1-3-4-4-5-6 scores zero points.

Play until one player has reached 100 points.
